- Increase the size of the U.S. Army to 540,000 active duty soldiers.
- Rebuild the U.S. Navy toward a goal of 350 ships.

- Pay for rebuilding of national defense by conducting a full audit of the Pentagon, eliminating incorrect payments, reducing duplicative bureaucracy, collecting unpaid taxes, and ending unwanted and unauthorized federal programs.
- Work with Arab allies and friends in the Middle East so they can lead the fight against the Islamic State.
- Pursue aggressive joint and coalition military operations to crush and destroy ISIS, international cooperation to cut off their funding, expand intelligence sharing, and cyber warfare to disrupt and disable their propaganda and recruiting.
- Defeat the ideology of radical Islamic terrorism just as we won the Cold War.
- Establish new screening procedures and enforce our immigration laws to keep terrorists out of the United States.

- Suspend, on a temporary basis, immigration from some of the most dangerous and volatile regions of the world that have a history of exporting terrorism.
- Establish a Commission on Radical Islam to identify and explain to the American public the core convictions and beliefs of Radical Islam, to identify the warning signs of radicalization, and to expose the networks in our society that support radicalization.
